

A Message to Parents

It's been over thirty years since Ron „Patch“ Hamilton lost his left eye to cancer. Since that time the Lord has given him and his wife, Shelly, a wonderful opportunity to minister to children. Patch the Pirate Club is just a part of the ministry God has provided through this life event.

Because of God's plan, your child now has the opportunity to be included in the Patch the Pirate Club ministry. The sailors in Patch the Pirate Club meet every Friday and once a month they perform the song they have learned at church on Sunday. If a child is faithful in attendance, he/she will receive gold coins and eligible to receive a Faithful Servant Award pin and certificate. Those gold coins will be spent at the happy store to be open before Summer break.

A very special Super Sailor of the Year Award is given to a child who have exhibited a consistent testimony and faithfulness throughout the year. The highlight of the year is the Awards concert that will be presented at the end of the club year.

We are very grateful for allowing your child to join our crew as we teach your kids godly character traits that will last for a lifetime.

At the same time we are going to help your child improve their English and if they have problems in understanding English grammars in school in their homeworks, my daughter Jeannine and I are purpose to help them the best we can.

Looking forward,
Captain: Josephine Lindner- Götze
Co-captain: Jeannine Lindner-Götze
